"Elit Group of Companies" is one of the leading companies in the furniture industry since 1984, with four different companies within itself.

"İsmail Erdem" brand started producing office chairs in 1984 in a 200 m2 workshop. Today, the company produces its own unique standard furniture and also includes world brands.

"Elit Office Furnitures" provides "turnkey" service by carrying out all stages of Office Equipment Engineering services along with applied project production with its experienced technical staff in these fields. Office equipment solutions; Contemporary working and living environments are created by using advanced production technology at every stage of production with special product designs.

"Elit Contract Furniture" is a contracted furniture company established in 2002 after our founding company Erdem. **"Elit Contract Furniture"** successfully implements special decoration projects both at domestic and abroad.

At domestic and abroad; It continues to serve universities, libraries, airports, hotels, hospitals, public institutions, private institutions, restaurants, cafes, residences, banks and financial institutions.

"Elit Build" was established in 2013 and produces all materials and applications in interior decoration. It designs and applies interior and building materials, excluding rough construction.
